**About Synergex Corporation**

Synergex is a Canadian based international integrated logistics company providing distribution, freight forwarding and logistic services. It is among the largest distributors of video games, game consoles, portable units, and accessories in Canada, and Latin America. Product lines are being expanded to include other licensed products related to video games or their license owners, taking advantage of the wide range of products originating from movies, home entertainment and licensed characters often included within, or resulting from, the creation of video games.

Headquartered in Mississauga, Ontario, with operations across North, Central and South America, Synergex serves a broad base of customers that includes a number of multinational enterprises. Synergex is listed on the Toronto Stock Exchange and trades under the symbol SYX. For further information, please visit [www.syx.ca](http://www.syx.ca).
