Forward-Looking Statements

This press release contains "forward-looking statements" and "forward-looking information" within the meaning of the United States Private Securities Litigation Reform Act of 1995 and applicable Canadian securities legislation. Forward-looking statements include, but are not limited to, statements with respect to the timing and amount of estimated future expansion and costs of expansion. Generally, these forward-looking statements can be identified by the use of forward-looking terminology such as "plans", "expects" or "does not expect", "is expected", "budget", "scheduled", "estimates", "forecasts", "intends", "plan", "continue", "anticipates" or "does not anticipate", or "believes", or variations of such words and phrases or state that certain actions, events or results "may", "could", "would", "might" or "will be taken", "occur" or "be achieved". All forward-looking statements are based on our beliefs and assumptions based on information available at the time the assumption was made. While Synergex considers its assumptions to be reasonable and appropriate based on the current information available, there is a risk that they may not be accurate. Forward-looking statements are subject to known and unknown risks, uncertainties and other factors that may cause the actual results, level of activity, performance or achievements of Synergex to be materially different from those expressed or implied by such forward-looking statements, including but not limited to risks related to the integration of acquisitions, as well as those factors discussed in the section entitled "Risk Factors" Synergex' 2008 Annual MD&A. Before making any investment decisions and for a detailed discussions of the risks, uncertainties and environment associated with our business, fully review the section entitled "Risk Factors"

Synergex' 2008 Annual MD&A. Although Synergex has attempted to identify important factors that could cause actual results to differ materially from those contained in forward-looking statements, there may be other factors that cause results not to be as anticipated, estimated or intended. There can be no assurance that such statements will prove to be accurate, as actual results and future events could differ materially from those anticipated in such statements. Accordingly, readers should not place undue reliance on forward-looking statements. Synergex does not undertake to update any forward-looking statements that are incorporated by reference herein, except as required by law.
