The webcast will be available at this link for 60 days following the presentation date.

NAL Oil & Gas Trust provides investors with a yield-oriented opportunity to participate in the Canadian upstream oil and gas industry. The Trust generates monthly cash distributions for its Unitholders by pursuing a strategy of acquiring, developing, producing and selling crude oil, natural gas and natural gas liquids from pools in southeastern Saskatchewan, central Alberta, northeastern British Columbia and Lake Erie, Ontario. Trust units trade on the Toronto Stock Exchange under the symbol "NAE.UN".
