About B2Gold

B2Gold Corp. is a Vancouver based gold producer with two mines in Nicaragua and a strong portfolio of development and exploration assets in Nicaragua, Colombia, Costa Rica and Far East Russia.

B2Gold was founded as a private company in 2007 by the former executive and management team of Bema Gold Corporation. Bema grew from a junior explorer to an international gold producer that was acquired by Kinross Gold Corporation through a Cdn\$3.5 billion transaction in February 2007.

In addition to its near term production growth profile, B2Gold’s corporate objective is to continue to build further shareholder value through the exploration and development of existing projects and additional

accretive acquisitions, capitalizing on the extensive experience and relationships that management has developed over the past 25 years. B2Gold trades on the Toronto Stock Exchange under the symbol “BTO”.
